

THE BEEFY BOYS LTD ALLERGEN CHART
SHREWSBURY + CHELTENHAM + BATH + OXFORD

ALLERGEN DISCLAIMER

Here at The Beefy Boys we want all of our guests to enjoy the food and the experience, therefore we take allergies and training our team very seriously.

We have designated trained Allergen Supervisors who will be happy to look after you during your meal.

We welcome guests with allergies and dietary restrictions so If you have an allergy or are ordering for someone with an allergy please let us know and one of our Allergen Supervisors will talk you through the options and take the order.

Our Allergen Supervisors, front of house team and our kitchen guys will do their absolute best to cater for your allergy but please be aware that everything is prepared in an environment where allergens are heavily present, so unfortunately we can never 100% guarantee that there has been no cross contamination.

As well as talking to one of our Allergen Supervisors please take the time to read through our allergen matrix before making your choices, even if you have eaten with us many times before as ingredients and suppliers may have changed.

COELIACS DISEASE / GLUTEN ALLERGIES

We do offer a gluten free bun option which can be swapped onto most burger options, but unfortunately, we can never 100% guarantee that there has been no cross contamination. This is due to all the food being prepared in an environment where gluten is heavily present. Gluten is highly present in our buns, mac/mozz patties, mac balls, chicken strips, HPA nacho sauce, beef chilli, beanie patty, ninja sauce, butty bach sauce, peppercorn sauce and brownies along with other items on the menu. Please let your server know whether you have an intolerance or coeliacs disease.

DAIRY ALLERGY

We do offer a dairy free bun option and vegan cheese. But, unfortunately, we can never 100% guarantee that there has been no cross contamination. This is due to all the food being prepared in an environment where dairy products are present. Dairy is present in our buns, cheese, mac/moz patties, mac balls, chicken strips, HPA nacho sauce, ice cream, milkshakes, and brownies along with other items on the menu.

NUT/PEANUT ALLERGY

Please note that that nuts and peanuts are present in our kitchens. The PBJ Boy contains chipotle peanut butter. The Beanie Boy contains cashews. Our Beanie Patty is cooked in the same fryer as our mac patties, mozzarella patties and mac and cheese balls. However, our other sides (fries, chicken strips) are cooked in a different fryer. In terms of our puddings, we do not recommend ordering a milkshake, brownie or sundaes due to cross contamination.

Our Buns are produced in a bakery where nuts and soya are present.

GARLIC AND ONIONS

If you have an onion or garlic allergy, please let your server know directly so they can inform the kitchen as both are heavily present in most of our dishes. They are mostly present in our seasonings, sauces, dressings, marinades, dirty onions and rude green salsa.
